\$4 acres on the Island, San Eliaurio \$20 per acre.

IT IS NECESSARY TO BE ORIGINAL And have briginal ideas in the optical business. Every pair of eyes are dif-ferent from every other. There are never two exactly alike. Thus every examination must be different from every other. A successful optician is original in his examinations, in the arrangement of his offices and instru-ments, in his business methods. When you find an optician who unfortunately has not this ability and is forced by inexperience to copy other optician's methods you find in him a failure, because he is incompetent to examine the special skill and originality in their examination to obtain satisfactory re-

Retail Grocers Ask City to Put a Tax on Hucksterers. Stanton Street Property Owners Ask for a Street Car Service Both Ways-Quarantine Against Juarez Is Confirmed -Fifty Deaths Here Last Week, Only Four Americans.

(Continued From Page One.)

manholes examined. He collected \$120 that street and do not come back is April Collections.

The April report of city assessor and collector, Louis E. Behr, showed collections amounting to \$93,797.14. ported collections for the month of April amounting to \$153. W. S. Clayton, reporting on the peti-

tion of H. B. Stevens, C. B. Stevens and out Stanton and another out El Paso E. Moye, for a sidetrack on Davis and from Mexico, we would be satisfied. be granted and this was done. Kick Agninst Peddlers. retail grocers relative to peddling in

Clayton then read a petition from government might object." the city in which it was charged that on both bridges now. many hucksters peddle without paying city license and therefore sell cheaper site government has nothing to do than the grocers who pay city and county taxes as well as rent. The grocers asked that the peddlers be required for the peddlers be required to have adequate service; ped to the peddlers be required to pay a license. This was signed by W. C. White, president of the associ-

The Justez Quarantine. City attorney W. M. Coldwell then presented a resolution confirming the board of health in establishing a quarantine against Junrez to prevent the spread of smallpox, which they charged exists to a great extent in Junrez. The enter El Paso from Juarez unless he has had smallpox or has been vaccinated successfully or bucclnated five days previous to his entrance into El Paso. Clayton asked what provision had been made to enforce the quarantine.

Robinson replied that proper action from Junez." would be taken. Blumenthal moved the adoption of the resolution, which was seconded by Clayton, and carried by a unanimous

Alderman Hewitt recommended that the T. & P. railroad company be regoffin avenue crossing, Carried,

To Rebuild Pump House. Mayor Robinson said that W. E. Anderson of the water company agreed to make improvements in the plant to secure a reduction of 15 cents the fire insurance key rate, the city to pay the expense if the city acquires the plant and the water company to pay

if the city does not purchase.
W. B. Brack said: "We cannot do the work; we have no right to spend any oney while in the hands of the re-On motion of Hewitt the mayor's ac-

tion in agreeing to make the repairs Money for July 4. A request from the merchants' league for a \$1000 appropriation for July 4

was given to the finance committee for An ordinance regulating hucksters and peddlers was placed on its first \$5000 for the property reading. It required that they must pay

The resolution estal

Fruit Stand In Alley. Police chief Ben Jenkins reporting an alley between the Wells Fargo ilding and Wigwam theater, reported that a fruit stand and cigar stand is located there and if continued, it may secure the right by limitation. Robinson said: "Somebody is rent-

ing city property there; the man has the stand, told me he had a lease from Mrs. S. F. Campbell." Blumenthal said: "A per "A petition to establish that fruit stand was granted." Robinson said: "It is not right; the uncil has no right to lease a street

Hewitt moved that the stand be re juired to vacate the alley with the furprovision that the city put in a light there. Robinson said: "I think we ought to close the alley up; these things run our insurance rates up."

On motion of Clayton, the police chief was instructed to investigate conditions and report back to the council. Stanton Street Cars. H. B. Brack representing South Stanton street property owners, presented

petition asking that the street car company be required to run cars noth directions on that street and said: The people there are not inclined to leal harshiy with the street railway company, but they think they have rights. The right to operate a street car is to operate it for the benefit of the people on that street."

Judge J. M. Goggin said: "The fact that there is a discrimination against that street; the fact that they run down evening

detrimental. We feel that the street car company should be required to run

No Kick at El Paso Street.

J. L. O'Shea said: "On El Paso street, Plumbing inspector M. P. Maloney re- cars run both ways because the second ward cars as well as Mexico cars run there. We think if they would put down long side tracks and operate one car Durango streets, recommended that it We do not want to take anything away

from El Paso street." Blumenthal said: "The United States "They have officers Captain Brack replied: "The United

Frank Spence: "I don't think we Texas, Luna and Dona Ana counties, may adequate service; people have to New Mexico; consideration \$55,000; May

around to El Pase." Potter Replies.

Harry Potter, for the street cacompany, said: "People on Stanton street can get second ward cars at Seveath and Third streets. The same argument might be used for Kansas street. We cannot operate cars along that street into Mexico without a doutrack and that would cost \$75,000."
L. O'Shea said: "We don't want J. L. O'Shen said: freet cars on every street; that would be a nulsance but we do want service

on the lines we have." Abe Suberberg said: "We want a way to get back to the city." Sam Blumenthal: "There is another point; we cannot force them to run back

"No," said Silberberg, "but they operate as far as the bridge and can be forced to come back from there." Short Retort.

Leigh Clark said: "A bobtail line from Seventh street to the bridge would no good. The real purpose is to get Stanton is impracticable at the present time, because it could be done only on a double track. Owing to the number of cars operated on the line, it is not

posible to use switches."

Capt. Brack: "That is not so. Look at the names of these petitioners and you will see they know what they want. Hasn't the corporation received bene-fits? What would its franchise be worth if it had not the right to run along the street? We want the cars 1910. operated in both directions in a manleast inconvient to the company." Mayor Robinson announced that matter was in the hands of the street

To Widen Street. The ordinance authorizing the pur-chase of 14 feet from Geo. Look to make West San Antonio street 60 feet wide, was adopted. This was agreed upon three weeks ago, the city paying

The resolution establishing the quarantine against Juarez was then adopted by unanimous vote. An adjournment was then taken. The street and grades committee will meet Friday morning to consider the

Stanton street matter. WHOLE TOWN BURNS DOWN IN OKLAHOMA Fort Smith, Ark., May 26 .- Practically the entire business portion of Wis-

ter. Okla., was destroyed by fire last

night. Only a bank and two stores and the station remain standing. The loss is \$100,000. The town has no fire de-BUYS PICTURE SHOW.
